

# Greetings!

## Career Staff Employees

Welcome to Valencia Community College. As a Career Staff employee, you are automatically a member of the Staff Council. Here's some important information...

### What Is Our Purpose?

"The College-wide Staff Council will address career staff employees' concerns, encourage their development, and provide a collective voice for the individual campus staff councils."

### What Are Our Objectives?

- To promote the continued development of a professional environment for all career employees of the college
- To promote effective cooperation and communication between the administration of the College and the career employees.
- To encourage positive employee attitudes, that will aid in attracting and maintaining a competent and dedicated career staff employee.
- To provide suggestions that will contribute to the attainment of College goals.

### Who Are Our Representatives?

The College-wide Staff Council consists of 16 career staff employees, representing all campuses and all parts of the college. The council meets bi-monthly to discuss goals, employee concerns, and to plan meetings and projects.

### How Do I Become Active in the Staff Council

1. Contact your campus representative
2. Share your concerns, suggestions, and ideas
3. Attend your campus meetings.
