Technical Definitions

The *Admission Status* section on pages 1 and 2 of the attached spreadsheet is a breakdown of the total credit, non-PSAV student enrollment. This section is based on information retrieved from the Banner Student System. The *Admission Status* categories on the Student Characteristics Comparison Report are:

- | | |
|-----------------------|------------------------------|
| 1. FTIC | 2. FTAV Transfer/Other |
| 3. FTAV Dual Enroll | 4. Continuing Dual Enroll |
| 5. Former Dual Enroll | 6. FTIC (Former Dual Enroll) |
| 7. Returner | |

Categories 1 – 3 are all FTAVs (First-Time-at-Valencia); these students have no prior Valencia history.

Categories 4 and 6 (Dual Enrolled) are assigned first. All other categories are assigned from the pool of remaining students.

Categories 1 - 7 sum to the total credit, non-PSAV student count.

FTICs (First-Time-in-College) are FTAV, have no Valencia history, have no transfer history, and are not admitted with a status of college, transfer, teacher recertification, transient, continuing education, home school, or Dual Enroll.

FTAV Transfers/Other are FTAV with either transfer credits or transfer admit status. It also includes transients, teacher recertification, continuing, etc.

FTAV Dual Enrolls are students enrolled in one or more courses with a Dual Enrollment status code, or their admission status indicated Dual Enroll, and they have either a future high school graduation date (i.e., beyond the beginning date of the current term) or have no high school graduation date. (Students who appear to have already graduated from high school are not included in the *FTAV Dual Enroll* or *Continuing Dual Enroll* categories.) FTAV Dual Enrolls have no history of prior coursework at Valencia.

Continuing Dual Enroll are students enrolled in one or more courses with a Dual Enrollment status code, or their admission status indicated Dual Enroll and they have either a future high school graduation date (i.e., beyond the beginning date of the current term) or have no high school graduation date, and who have a history of coursework taken at Valencia in a prior term.

Former Dual Enroll are dual enrolled students as indicated by their admission status field, who have a high school graduation date prior to 95 days before the beginning date of the term.

FTIC (Former Dual Enr) are dual enrolled students as indicated by their admission status field, and who have a high school graduation date within the previous 95 days of the beginning date of the term. As such, they are considered to be in their first term at Valencia since their recent high school graduation.

Returners are all others who have a history of prior coursework at Valencia who do not fall in one of the above categories.

The *Entry Status* section on pages 1 and 2 of the spreadsheet is synthesized from various responses to the Admissions Application Form. The three categories on the Student Characteristic Comparisons Report include high school grad, GED, and Transfer. The "Other" category includes: not reported, transient, personal interest, provisional, early enrollment, dual enrollment, continuing education, teacher recertification, and home school.

The *Educational Goal* section on pages 1 and 2 of the spreadsheet is also synthesized from the Admissions Application Form. The "No Degree Intent" field also includes students who did not report an educational goal. Students choose from the following goals:

1. Earn AA Degree
2. Earn AS degree
3. Earn Certificate
4. Complete Courses-No Degree Intent
5. Complete Courses-Job Improvement
6. Transient
7. Teacher Recertification
8. Vocational Credit Certificate
9. Complete Dual Enroll Courses
10. Earn AAS Degree
