

AWARD OF CREDIT
by
VALENCIA COMMUNITY COLLEGE
for the
Cisco Certified Network Associate (CCNA) Certification
and
Computer Engineering Technology

To provide career opportunities for students in career and technical education programs, Valencia Community College agrees to award at no cost (other than the application for admission fee) full college credit to the eligible students who have earned the CISCO CCNA Certification through CISCO Systems, Inc.

_____ **PLEASE AWARD 12 CREDITS FOR THE COURSES LISTED BELOW:**

Certification	Valencia Community College
Cisco Certified Network Associate Certification (CCNA)	Computer Engineering Technology A.S. Degree (12 credits)
	CET 1610C Cisco Router Technology (4 credits)
	CET 2615C Cisco Advanced Router Technology (4 credits)
	CET 2620C Cisco Projects in Routing Design and Administration (4 credits)

MAXIMUM AWARD OF CREDIT

This agreement makes it possible for a student to receive twelve (12) semester hours of college credit for the CISCO CCNA Certification towards the Computer Engineering Technology A.S. degree program at Valencia Community College which is in accordance with commonly accepted good practice in higher education.

EDUCATIONAL PROGRAM

Valencia's faculty and staff who have responsibility for the supervision and coordination of the Computer Engineering Technology program have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures of the examination meet the college standards for college credit course work and that the learning outcomes are consistent with the course work in the A.S. Degree being articulated.

AWARD OF CREDIT PROCESS

The transferring student requesting credit must furnish a copy of the CISCO CCNA award certificate from CISCO Systems, Inc. To have the courses reported on the official Valencia Community College transcript, students must:

1. Meet regular College entrance requirements.
2. Complete the College Application and pay the College Admission Fee.
3. Be accepted into Valencia within five years of earning the CISCO Certification.
4. Declare a major in the Computer Engineering Technology A.S. degree program.
5. Comply with the appropriate placement, course prerequisites and requirements of the college.
6. Successfully complete course work with a "C" or better at Valencia while currently enrolled on either a part-time or full-time basis for one academic term to have the credit awarded on the official college transcript.
7. The Dean of Engineering and Technology and the Program Director for Computer Engineering Technology, West Campus, at Valencia, will evaluate the student's record (certification), determine the eligibility and notify the Registrar's Office of acceptable credit to be transferred and awarded.

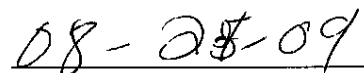

TERMS OF AGREEMENT

This agreement applies to students who have earned the CISCO CCNA Certification through CISCO Systems, Inc. The agreement will be reviewed as needed and it shall remain in effect until either party identifies a need for revision.
