**Articulation Agreement Between  
Valencia Community College and Orange Technical Education Centers  
Computer Related programs  
Page 3**

**MAXIMUM AWARD OF CREDIT**

This agreement makes it possible for a student to receive six to twenty-eight (6 - 28) semester hours of college credit as noted above towards the Computer Engineering Technology Program at Valencia Community College which is in accordance with commonly accepted good practice in higher education.

**EDUCATIONAL PROGRAM**

Valencia and Orange County Public Schools faculty and staff with responsibility for supervision and coordination of the Computer Related programs have assessed the adequacy of the documentation and determined that the learning outcomes, performance standards, and assessment procedures meet the college standards for college credit course work and that the learning outcomes are:

1. consistent with the course work in AAS/AS degree being articulated.
2. taught by faculty who have a minimum of an AAS/AS degree in the required area or meet other described criteria.

**TRANSFERRING PROCESS**

The transferring student must have compiled a GPA of "C" or better and must furnish a certificate of completion for the Computer Related programs at Orange Technical Education Centers, along with an official signed copy of their student record (or have the OCP certificates with the teacher's signature).

To have the courses reported on the official Valencia Community College transcript, transferring students must:

1. Meet regular College entrance requirements.
2. Complete the College Application and pay the College Admission Fee.
3. Be accepted into Valencia within five years of completing the Computer Related programs.
4. Declare a major in the articulated program.
5. Comply with the appropriate placement, course prerequisites and requirements of the college.

**Articulation Agreement Between  
Valencia Community College and Orange Technical Education Centers  
Computer Related programs

**TRANSFERRING PROCESS (Cont.)**

6. Successfully complete course work with a "C" or better at Valencia while currently enrolled on either a part-time or full-time basis for one semester to have the credit awarded on the official college transcript.
7. The Dean of Engineering, Architecture and Technology, West Campus at Valencia and the Program Director for Computer Engineering Technology, West Campus, at Valencia, will evaluate the student's record and notify the Registrar's Office of acceptable credit to be transferred and awarded.
8. Individual courses must be passed with a 70% or better.

**TERMS OF AGREEMENT**

This agreement shall be reviewed annually and evaluated biannually. It shall remain in effect from March 2007 until either party identifies a need for revision or terminates this agreement with thirty days written notice.
