

## Start Right Finding a Faculty Partner

Use this chart to explore your compatibility as teaching partners.

Names		
Courses (C,S)		
What's most important in my course (topics, assignments, etc.)?		
What's my style as a classroom teacher? What's a typical class look like?		
What are your reading and writing requirements? testing methods? grading methods?		
How flexible is your course curriculum? How much integration are you comfortable with?		
What rules and policies (attendance, withdrawal, etc.) are most important to you?		
What are your commitments to time in each other's class? time meeting outside class?		
What do I most like students to say about my course? about me as a teacher?
