

**VALENCIA COMMUNITY COLLEGE
Student Affairs Department Action Plan**

This form provides a documentation template for annual Departmental Action Plans designed to describe unit outcomes that contribute to the College Strategic Plan and/or improve the educational programs and processes of Student Affairs at Valencia. Each Student Affairs Department will develop at least one department action plan annually. Initial information and projections describe the **PLANNING PHASE** of the process. At the conclusion of the project/activity time frame initial information and projections will be updated by completing an **EVALUATION PHASE** including modifications, outputs and outcomes. Both planning and evaluation information will be organized according to parallel criteria including: (1) a formal goal statement, (2) outcome measures, (3) collaboration with stakeholders, (4) evaluation methods and (5) use of results for improvement of unit performance in meeting established outcomes. The overall process will effectively review and document specific measures of educational effectiveness.
