

Computer Engineering Technology Anticipated Course Offerings - Collegewide

Foundation Courses	Anticipated Terms
MTB 1329 Mathematics for Electronics	Fall, Spring, Summer
CET 2178C A+ Concepts (Hardware)	Fall, Spring, Summer
CET 2486C Local Area Networks	Fall, Spring, Summer
EET 1214C Intro. to Engineering Technology	Fall, Spring, Summer
Intermediate Courses	
CET 2179C A+ Concepts (Software)	Fall, Spring, Summer
CET 2112C Digital Systems I	Fall, Spring, Summer
CET 2113C Digital Systems II	Fall, Spring, Summer
CET 2854 Wireless Networks	Fall, Spring, Summer
Advanced Courses	
CET 1600C Cisco Networking Fundamentals	Fall, Spring, Summer
CET 1610C Cisco Router Technology	Fall, Spring, Summer
CET 2615C Cisco Advanced Router Technology	Fall, Spring
CET 2620C Cisco Projects in Routing Design & Admin	Fall, Spring
CET 2675 Voice Over IP	Fall, Spring
CET 2811 Microsoft Windows XP Professional	Fall, Spring, Summer
CET 2722C Microsoft Windows Server 2003 Environment	Fall, Spring, Summer
CET 2792 Microsoft Windows Server 2003 Network	Fall, Spring
CET 2793 Planning and Maintaining a Microsoft Windows Server 2003 Network Infrastructure	Fall, Spring
CET 2794 Microsoft Windows Server 2003 Active Directory	Fall, Spring
CET 2795 Designing Microsoft Windows Server 2003 Active Directory Infrastructure	Fall, Spring
CET Degree Electives	
CET 2675 Voice Over IP	Fall, Spring
CET 2123C Fundamentals of Microprocessors	Fall, Spring
CET 2588 Network +	Fall, Spring
CET 2784 Wide Area Networks	Fall, Spring
CET 2810 Microsoft Exchange 2000 Server Implementation and Administration	*Once a year
CET 2812 SQL Server 2000 System Administration	*Once a year
COP 2220 C Programming	Fall, Spring, Summer
COP 2705 SQL Server 2000 Database Design and Implementation	*Once a year
EET 2330 Introduction to Transmission Lines	Fall
EST 2220C Introduction to Fiber Optics	Spring

Please remember: This is a planning tool only and is subject to change at any time. Consider these anticipated course offerings as you create your educational plan. It is strongly recommended to take any pre-requisites as soon as possible so that you will be ready for the next course in the flow.
